## Job Description

### About Afghan Family Guidance Association (AFGA):

#### About AFGA:

Afghan Family Guidance Association (AFGA) is an Afghan non-governmental, not-for-profit and non-political organization established in 1968. Alongside the Ministry of Public Health, AFGA has been working in the field of Reproductive Health since its inception. AFGA is a fully accredited member of the International Planned Parenthood Federation (IPPF) and an important partner of UNFPA.

A committed team of more than 600 experts are working in 11 provinces of Afghanistan to achieve AFGA goals and objectives. AFGA provides health services to the most vulnerable and hard to reach communities through over 140 service delivery points.

#### About Hospital:

AFGA is in the process of establishment of a 20-bed hospital in Kabul, aimed at providing quality Reproductive Health services to mothers and newborns. The hospital will be fully equipped with modern medical equipment, facilities and staffed by experts.

As part of a long-term development plan, hospital services will continuously expand, serving as the central hub for AFGA outreach and small Service Delivery Points (SDPs) to refer patients needing advanced care. The hospital will adhere to national and international standards for patient safety and quality service, ensuring it meets the needs of target communities.

#### Job Description:
